

Warranty Solutions & Service Options

Get the most out of your printer investment with extended limited warranties and service options from Brother.

Assure Service Program

Meet one of the industry's most comprehensive out-of-box and extended limited warranty programs. With industry leading two-year coverage on most models, including printheads¹, to optional five-year coverage, your investment is protected and your business is secure with Brother "at your side."

Avoid the cost of unexpected repairs

Extend the useful life of your printer and dodge pricey repairs. Add any one of our Brother Assure Service programs to get leading service and support after the life of your standard limited warranty.

Rest assured... You're covered

Rest easy knowing your printer is in the hands of industry experts. We provide personalized support to get your printer back on the job as quickly as possible.

Expect unprecedented service

Count on Genuine Brother Parts, a state-of-the-art depot repair facility, and experienced service technicians to return your printer to top performance standards.

Tech Support for Life

Get free phone and email support for the life of your product. Call [800.255.0415](tel:800.255.0415) or [email us](#).

Printhead Perks

Expect unlimited printhead replacements for your Brother mobile and desktop printers while under warranty. And for your high-volume industrial printers, get replacement printheads at up to 56% off the list price² while the machine is under warranty and serviced by Brother.

Industry leading coverage

Get superior two-year coverage on both the printer and the printhead with most Brother models¹. It's coverage you won't find elsewhere.

The Freedom of Flexibility

Add up to five years of total coverage at any time while your printer is still covered under warranty. You get to decide when and what is right for you.

24-hour Exchange Program

Receive a working printer within 24 hours with Standard Overnight^{3,4} outbound freight – absolutely free! This Select Plus and Premier Plus benefit bridges the gap between the turn-around time of depot repair and the higher cost of onsite service.

Convenient onsite service

Benefit from an affordable onsite repair option to avoid the extra time of shipping your printer for depot repair. A certified technician is deployed to your location within 48 hours³ to minimize downtime and keep your operation moving.

¹ Printheads must reach 1 million linear inches and be under warranty to be eligible for a discounted replacement. Discount prices vary by printhead.

² Savings will vary based on printer model and printhead.

³ Service times may be impacted by part availability

⁴ Same day by 3PM Central Time within the contiguous U.S.; 48 hours shipment for Canadian customers.
